

REACH EC1907/2006 Statement

Electronic Manufacturing Solutions Limited (EMS) statement regarding **REACH EC1907/2006**.

EMS's products (assemblies) are classified as articles that are not intended to release substances under normal or foreseeable conditions of use. Therefore, we are not directly required to register the substances used in their manufacture. However, we do recognise that the REACH regulation requires us to communicate with our supply chain to ensure our products are compliant.

To the best of our knowledge all of the articles supplied by EMS are compliant with **REACH EC1907/2006 & ECHA/NR/21/20** including the candidate list dated 8 July 2021, do not contain any Substances of Very High Concern (SVHCs).

We will inform you immediately if we are informed by our suppliers, of any findings of SVHCs as of the actual Candidate List in products you purchase from us.

Disclaimer

The information provided in this document and disclosure is correct to the best of **Electronic Manufacturing Solutions Ltd (EMS)** knowledge, information and belief at the date of its release.

Signed

Jonathan Plummer
